Come enjoy professional Storytellers!

Hello Friends!

The Lawrence Community Center is partnering with Storytelling Arts to bring live multicultural storytelling events to the community in March and April. The series is open to all ages and family types. Stories are part of our DNA and are gateways to our shared human experience. They seed empathy and compassion while broadening our perspectives. We hope you will join us as we gather virtually to experience the power of stories together. The event includes live Storytelling performers and the opportunity to share personal experiences.

The first event of the series is Friday March 19th from 6-7pm, via zoom.
